

My name is Ann Seltzer and I have been employed with Blackfoot Communications as a CPA for twelve years. A native Montanan, I moved to Missoula to attend college and graduated from the University of Montana with a Masters of Accountancy in 2001. My husband Adrian and I have two sons, Isaac, a junior at Luther College in Iowa, and Aiden, a sophomore at Big Sky High School who keep us busy with football and wrestling. I am an animal lover and have three dogs, two cats and a rabbit. During my free time I love to travel, attend concerts and spend time outdoors.
