

Annie Darby was born and raised in Grand Rapids, Michigan. She graduated from Eastern Michigan University, with a degree in Psychology and Sociology. While attending university, she took a year off to be a lift-op at Big Sky Resort, and quickly fell in love with the state of Montana.

In 2014, she and her husband, Nicholas, moved to Missoula and instantly felt "at home." In that same year, Annie discovered her passion for hospitality as a hotel Front Desk agent and quickly worked her way up to Operations Manager, and is currently now the General Manager at the Holiday Inn Missoula Downtown. She thoroughly enjoys every aspect of her job, including all the wonderful people she gets to welcome to our beautiful town of Missoula.

When Annie is not busy at the hotel, she can be found exploring our great state with her husband, and their ever-adventurous 7 year old son, Isaac.
