

"Hi! My name is Casey Taggart and I am a Partner & Director of Public Relations for Yellowstone McDonald's. I've been in the QSR industry for over 20 years, and I am honored to work side by side with an exceptional McFamily! I am blessed to be married to my wife Kristi Taggart for 14 years. We have two wonderful kids, Caden and Kamdyn. We are excited to be in Missoula and thrilled to build an exciting future here in Montana!"
