

LM 38 Bio

My name is Debbie Erbacher. I was born and raised in Missoula, Montana and have lived here my entire life. I have been married to my husband for 34 years, I have two amazing daughters, three beautiful grand children ages 17, 6 and 4, and two fur babies.

After 27 years of working at the University of Montana, I decided that it was time to retire. I knew that I did not want to stop working entirely so I ended up at the Chamber of Commerce. I have been working at the Chamber of Commerce as the Director of Administration for over one year, and I have the pleasure of working directly under the CEO, Kim Latrielle. My day-to-day duties include working on Chamber initiatives, working with the Board of Directors, Executive Committee, Finance Committee, assisting with events and all other items Kim and the Chamber are involved in. I enjoy working at the Chamber and it is made all the better, because I have the best view in Missoula overlooking the Clark Fork River.

In my free time I love spending time with my family, especially my grandkids, friends and, of course, my four-legged babies. I love to make jewelry and hope to travel more in the future.
