

Otis Mitchell Biography

My name is Otis Mitchell and I'm currently a Commercial/Consumer Loan Officer with Stockman Bank. I originally grew up in Southern California in Newport Beach. I moved to Montana roughly 8 years ago to finish school in Bozeman, Montana. Upon graduating, I moved to Missoula to pursue my career in banking originally starting in 2017 with US Bank.

In my time outside of work I enjoy spending time in the mountains. I have a golden retriever named Mia who joins me on my adventures. I typically can be found fishing, backcountry skiing, backpacking or out on the golf course on the weekends. I am looking forward to this LM 38 class and hoping to grow my leadership skills and make some new connections along the way.
