

As a dedicated advocate for marginalized communities, I strive to create a more equitable and inclusive society. With experience working with the LGBTQIA2S+ community, Special Olympics, unhoused individuals, and justice-involved citizens, I have a deep understanding of the unique challenges faced by those often overlooked. My current professional goal is to expand Queer Prom MT to other areas, providing safe, affirming, and fun spaces for all. Recently, I was honored to receive the Ally of the Year award for my contributions to this important initiative. I am looking forward to being part of a group that has been bringing people together to make our community a better place for four decades.
