

Shannon O'Brien Bio:

Shannon O'Brien is an accomplished Accounting Specialist and Administrative Assistant with a diverse background in financial management, office administration, and customer service, particularly within the energy and cooperative sectors. With a proven track record in roles such as Accounting Specialist at Missoula Electric Cooperative and Office Manager at CHS, Inc., Shannon has consistently demonstrated a commitment to excellence, meticulous attention to detail, and a passion for fostering positive relationships.

Currently enrolled in the SHRM Learning System and preparing to take the upcoming SHRM-CP exam, Shannon is dedicated to expanding her expertise in Human Resources. As a participant in the Missoula 40 Leadership Program, Shannon is eager to further develop her leadership skills and contribute to the community, drawing on her experience in the energy and cooperative world and her dedication to both professional growth and civic engagement.

Outside of work, Shannon has a deep love for the outdoors. She enjoys hiking, kayaking, spending time on the lake, and motorcycle riding with her husband. She also values quality time with her family, balancing her professional commitments with her passion for outdoor adventures and family life.
