

Hello, my name is Stanton Schulze. I have been in the Missoula Area since 2014. I currently work for Builders FirstSource. I have been with them for almost 6 years. I am married and have 3 children. My wife and I have been married for 8 years. We have an 8 year old boy named Matthew, a 6 year old named Mason, and a 6 month old named Hadley. I had an EMT license before my 21<sup>st</sup> birthday, this year would have been my 16<sup>th</sup> year in EMS. In my spare time I enjoy hunting, fishing, cooking, and photography.
