My name is Dr. Austin Davis, I'm the owner of Life Chiropractic on SW. Higgins Ave. I moved to Missoula this year with my incredibly talented wife, Yevgeniya, our 4 year old Ari and 2 pups (Rocco and Indiana Bones). We moved from the Lake Tahoe area and I'm originally from Connecticut, a town of about 5000 people. I have lived all over the country and even overseas in China, Vietnam, Cambodia, Australia and New Zealand over the course of a few years. We feel grateful to call Missoula home, and plan to do so for a very long time. Having grown up in a small town, the importance of supporting and strengthening the local community was always forefront for my family.

I've been a Chiropractor for about 13 years, specializing in family/infant care and Athlete care. I also come from a generational family of Chiropractors. I studied at Life Chiropractic College West, one of the top schools in the world and graduated with clinical honors. Before that, I received my BA from UC Santa Cruz, where I studied Politics and Law. Having served as a representative for the International Chiropractic Association, I've been involved with creating guidelines and by-laws on both a state and national level for my profession Part of my time overseas was spent providing Chiropractic care in rural villages throughout Cambodia and Vietnam as well as helping to educate about healthcare/wellness.

Outside of Chiropractic my main hobbies/interests are all things outdoors: Hunting, fishing, camping, foraging, photography, snowshoeing, Telemark Skiing and worked as a mountain host at a local mountain in Tahoe. My family also loves cooking, our kitchen is the center of our universe and we cook to share! I appreciate this opportunity and look forward to being of service to this great community. Thank you.

Yours in health,

Dr. Austin Davis
