

My name is Jacinda Morigeau, and I am thrilled to be a part of Leadership Missoula 39! As an Indigenous woman from the Bitterroot Salish tribe, I look forward to bringing my unique perspective to this year's cohort. Currently, I serve as the Communications Manager for United Way of Missoula County, developing and implementing strategic communication plans to raise awareness and drive engagement for our mission. In addition to my professional role, I am deeply committed to volunteering and giving back to my community. I serve on the All Nations Health Center Board of Directors, the Upward Bound Advisory Committee, and the Montana Women Vote Advisory Board. Outside of work and volunteer commitments, I am an arts & crafts aficionado, a passionate cook and baker, and, with my partner, run a fur friend retirement home. I find great joy in expressing myself creatively through various artistic mediums and exploring new recipes in the kitchen. Lastly, I invite you to connect with me on my LinkedIn page <https://www.linkedin.com/in/jacinda-morigeau-0b402a198/> to learn more about my work background and experiences.
