

Anita Nash

I am married to David and have 3 children with only 1 still at home. We moved to Missoula in 2010 and I have worked at St. Patrick Hospital since then. I am the Director of Rehabilitation and Clinical Nutrition and take on other projects as needed. I have been an Occupational Therapist for 30 years working in a variety of settings including acute care, inpatient rehabilitation, skilled nursing facilities, home health care, and industrial rehab. We have traveled all over Montana and the Pacific NW with our children for hockey and soccer. In my free time I enjoy quilting, gardening, and baking.
