

Kim Kozlewski was born in Baltimore and raised in Montana. Shortly after moving to Missoula in 2000, Kim joined First Security Bank, where she currently works as an AVP branch administrator, in addition to serving on the boards of Missoula Businesswomen's Network and Family's First Learning Lab. A mother of three daughters herself, Kim enjoys travelling with her family to Montana's beautiful lakes and hot springs — really, anywhere near a body of water. Kim is honored to be a part of Leadership Missoula 39.
