Please share three to four brief paragraphs about yourself. Remember to include the following Professional experience and history, about you and your family, where you were born, hobbies, interests.

I am the Consumer Business Manager at Blackfoot Communications where I lead a team responsible for residential and small business sales and marketing as well as residential and small business product development. Previously, I held various product management and marketing roles at Blackfoot and First Security Bank.

I earned an MBA from the University of Montana and a Bachelor of Science in Business Marketing from Montana State University—which makes the annual Griz/Cat (or Cat/Griz) games tough for me.

I was born and raised in Helena and moved to Missoula in 2008 with my wife. We have two awesome kids (ages 7 and 5) and two energetic dogs that keep us busy. I enjoy being outside, especially when it involves fishing, hunting or trail running.
