

Phil Vantassel, LM40 Chair-Elect/Graduate, LM35

Rail Transportation Manager
Pacific Steel & Recycling
Great Falls MT 59405
Business Phone: (406) 791-8566
Email: Phil_vantasse@pacific-steel.com

Phil Van Tassel has a diverse professional background, ranging anywhere from stage- handing, hospitality, and sales, all the way to banking and the steel industry. Phil earned his Bachelor of Business Administration with a Concentration in Logistics and Supply Chain Management from the University of Arkansas while also working full time and chasing two young children. Phil worked in the rail industry for 8 years, giving him the opportunity to learn about a wide range of industries which the railroad served; most notably the petroleum products and refining industries, as well as chemical commodities and steel.

When Phil parted ways with the railroad, it was to work as the Business Development Officer for the best bank in Missoula and the surrounding areas; First Security Bank! Phil enjoyed a year and a half with First Security Bank before being lured back to the fascinating world of steel wheels. Phil currently works as the Rail Transportation Manager for Pacific Steel & Recycling; overseeing all rail-related activity and negotiations for Pacific Steel's 46 branches across the Pacific Northwest.

Phil resides in Stevensville with his wife Kim, and two children Harvey (age 4) and Hazel (age 2). When Phil is not working, he enjoys being with family and going on any kind of adventure with his children; lately, they have gotten into jeeping!

Phil was turned into an avid believer in Leadership Missoula during his time in LM 37, and is thankful that he gets to be a part of continuing this program into the future as the Vice Chair of LM 39 and Chair-Elect of LM 40.
